Why Bayswater?

Bayswater provides global upskilling experiences that equip students with the practical skills and confidence to thrive in the future of work.

Our programmes blend academics with real-world experience and soft skills, to empower students to create the life they want to live.

Certificates we offer in Canada:

- › Digital Marketing
- › International Business Management
- › Project Management

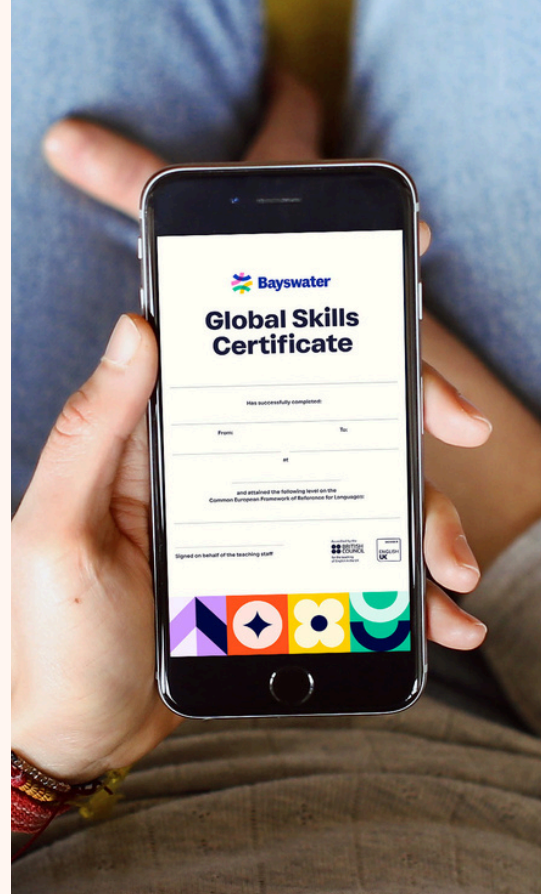

Stack your skills

Our certificates act as micro-credentials. Micro-credentials are focused learning that allows you to quickly build up your skills. Get ready for the future of work with us.

The Bayswater advantage – Get global skills when you study with us

By enrolling with us, we'll additionally upskill you in Communication and Intercultural Competence, Critical Thinking, Collaboration, Problem Solving, AI and Digital Literacy and Presenting. You will receive an additional Global Skills Certificate (digital) that recognises these new skills, and allows you to add them to your resume.

You will also get the opportunity to add further skills like Volunteering, Networking, Leadership and Employability, and gain a digital badge to link to LinkedIn. This will help you stand out to potential employers.
